

This form is to be completed ONLY for dressage ponies requiring an RMDS measurement card. Measurement will be required annually until the pony has reached the age of 8 years. Ponies 4-7 years old will be issued an annual temporary certificate of measurement. If an animal possesses an FEI or USEF certificate of measurement, that certificate is sufficient proof. Measurements are solely for the internal use of RMDS at its recognized competitions and its officials in connection with competing for prizes, and do not constitute any representation or warranty regarding measurement.
