

**RMDS Lendon Gray Continuing Education Clinic
October 10-11, 2009**

**WANT SOME NEW TRAINING IDEAS??
WANT TO MEET NEW AND FELLOW RIDERS??
WANT TO SEE OTHER TRAINING TECHNIQUES IN ACTION??
WANT TO DO ALL THIS WITHOUT SPENDING A LOT OF MONEY???**

THIS CLINIC IS OPEN TO ALL – TRAINERS, ADULT AMATUERS, JUNIORS

The plan to attend the RMDS Continuing Education Clinic led by Lendon Gray, Head of the USDF Instructors Council, two time Olympian and member of several US teams to various World Competitions.

To be held at Somerset Farms, 5555 Nelson Road, Longmont, Colorado.
Indoor arena, sound system, 10x12 stabling available

**RMDS brings back our successful format based on the USDF Instructor Teaching workshops, but
OPENS UP THE SESSIONS TO ALL!**

INSTRUCTORS: Receive the opportunity to market your skills to a broad audience. Receive input and exercises to add to your portfolio. Brainstorm with Lendon and other participating trainers.

RIDERS: Receive a lesson geared to your specific needs. Get input from Lendon as well as the trainer you ride for in your session. Watch a number of lessons to gain a variety of approaches, and learn about the many trainers in the Colorado area.

AUDITORS: Come observe the wealth of information provided as trainers hone their skills under the expert advice and guidance of Lendon Gray. Listen to the exchange of information, and submit your questions that will be discussed before lunch and at the end of each day.

This will be a two-day format with the opportunity to participate on one or both days. Lessons will be 50 minutes long and there will be 10 sessions per day. Riders will be matched with a trainer new to them or they may request to work with their current trainer. An evaluation will be held, whereupon the rider, trainer and Lendon will agree on the topic to be worked on. 30 minutes will be allowed for work, and 15 minutes left for Lendon to add her input to the rider. Lendon is an exceptionally talented and tactful instructor. She is positive and very effective, and her teaching workshops and camps receive rave reviews from all involved across the United States. This clinic is in answer to the request that we “DO THIS AGAIN” but this time make it accessible to all riders and trainers who care to participate- not just Certified Instructors. RMDS hopes that this format will provide an opportunity for Certified Instructors to receive continuing education, for those not Certified to get exposure to the caliber of training guiding the program, for general membership to get the opportunity for a huge educational experience, either riding or auditing, and for everyone to get an opportunity to meet and exchange ideas away from the hectic atmosphere of horseshows.
