CDOT has announced that I70 will be closed indefinitely at this point in time and we need to evaluate how we want to handle this. Engineers have never before seen so much damage done and because they can't control the weather and they need the weather to cooperate to repair the damage and how to mitigate future damage, they aren't giving any time line. The viaduct is damaged as well.

Miranda suggested we pole the membership, Cassandra said her group is reluctant to sign up.

Embroidery is on hold, ribbons were ordered, \$2800 plus another deposit was paid to the facility.

Gwen suggested we look at finding another place on the front range. Karen is opposed as then it adds 4 hours for the western side folks.

Expenses were discussed and Joan offered to offset the online/credit card fees. MaryJo and Joan are donating their sponsorships still.

Cassandra proposed running a virtual show to help raise money for the club. She and Dorothy will work on that.

Gwen Ka'awaloa made a motion to cancel the 2021 RMDS Championships and Open due to the indefinite closure of I70, 2nd by MaryJo Hoepner. Motion passed with Heather Petersen and Maureen Mestas abstaining.

Gwen expressed we need to make a statement to the membership as to why we are cancelling. Dorothy will write something up

Sharon mentioned doing a 50 + 1 next year.

Motion to adjourn by Sharon Soos, 2nd by Gwen Ka'awaloa.

Respectfully submitted,

Heather Petersen
